**Smart Kids get  
the Smart Card...**

School children who travel to school on Finglands buses can get a pre-paid 'Smart Card' to use for their journeys. This pre-payment card can be topped up just like a mobile phone card which means children do not have to carry cash to pay for bus fares every day. It's also much less hassle for the parents too!

**SEE OVER FOR THE APPLICATION FORM**

**From 16th May 2011** all 11 to 16 year olds who are either residents of Greater Manchester, or pupils attending school in Greater Manchester will need an IGO card to qualify for the concessionary fare (half adult fare from 3rd April 2011). Without this card the full fare will be charged. 16 to 19 years olds who remain in full time education may also be entitled to the concessionary fare.
